## Here's how virtual dermatology works:

Access your KonnectMD account online or by visiting [portal.konnnectmd.com](http://portal.konnnectmd.com), available 24 / 7 / 365

Describe your condition and upload pictures of the affected area. Submit your information any time, and from anywhere.\*

A KonnectMD board-certified dermatologist will review the consultation details and provide a treatment plan and prescriptions when necessary.\*\*

Prescriptions will be sent directly to your preferred local or home delivery pharmacy, if appropriate.

Have follow-up questions? Connect with your dedicated Care Coordination team 24 / 7 / 365 toll-free.

Licensed healthcare providers provide clinical services through medical practices affiliated with KonnectMD and other network providers. Additional or different telehealth requirements may be applicable in certain states.
