

# Behavioral Health Services

Feeling overwhelmed, experiencing anxiety or depression? Now you can choose the mental health solution that’s just right for you from wherever you are!

## Virtual Counseling

Consult with a Master-Degreed Counselor. The amount of counseling sessions will be clinically appropriate based on the issue. This program is for short-term problem resolution, referral, and crisis intervention services. **No Visit Fee**

## Virtual Psychologist Service

Virtual Psychologist Service, gives rapid access, lower costs, all from the comfort of your own home. Our licensed Psychologists (PhD, PsyD, or EdD) assess your symptoms, evaluate your medical and family history, and help determine a course of action moving forward. **\$100.00/ Visit**

## Virtual Psychiatrist Service

Connect with a U.S.-based, board-certified Psychiatrist who can diagnose, treat, and prescribe medications for a range of mental health conditions. **Initial: \$205.00/ Follow-Up: \$100.00/ Visit**

Licensed healthcare providers provide clinical services through medical practices affiliated with KonnectMD and other network providers. Additional or different telehealth requirements may be applicable in certain states.
